When you play Scrabble, you use letter cards to make words. Every new word uses a letter from another word.

It's like you are making a crossword puzzle!

Cut out the letter cards on the next page. You can play alone or take turns with a friend. You can count the points you use on each card, or not.

WAYS TO PLAY SCRABBLE!

- Name Game:** Use the letter cards to spell out as many names as you can think of – use your name, your friends' names, your family's names, your pets names...
- Book Words:** Read a book and then make words you find in the book!
- Food Words:** Use the letter card to spell out different food words.
- Summer Words:** Write a list of all the words that make you think of summer! Then use the letter cards to spell them out.
- Rhyming Words:** Make every new word rhyme with the last word you made.
