

I Packed My Grandmother's Suitcase...

This is a really fun game that you can play with two or more students. Here is how you play:

First you say, "I packed my grandmother's suitcase and in it I packed a _____,"

- In the blank you say a word that starts with the letter "a."

Then the next person says, "I packed my grandmother's suitcase, and in it I packed a _____ (repeat the word used for the letter "a") and a _____."

- This player has to say a word that starts with the letter "b."

You keep playing until you reach the letter "z."

The game becomes more difficult as you go along because you have to remember all of the words used for each letter of the alphabet.

If it seems as though it may be helpful, you can have the students write down the words so that they practice their reading and writing.
