

The Ch Song

Chorus:

The letters “ch” make the sound /ch/:

/ch/, /ch/, /ch/, /ch/.

The letters “ch” make the sound /ch/:

/ch/, /ch/, /ch/, /ch/.

The letters “ch” make the sound /ch/:

/ch/, /ch/, /ch/, /ch/.

The letters “ch” make the sound /ch/:

/ch/, /ch/, /ch/, /ch/.

/ch/ is the first sound in: chip, chin, cheek.

/ch/ is the middle sound of: preacher, teacher.

/ch/ is the end of: munch, lunch, bunch.

/ch/ is so common. We use it so much.

/ch/ is the first sound in: chip, chin, cheek.

/ch/ is the middle sound of: preacher, teacher.

Chorus

/ch/ is the end of: munch, lunch, bunch.

/ch/ is so common. We use it so much.

ch-i-p, chip, ch-ee-k, cheek,

m-un-ch, munch, l-un-ch, lunch

Chew, chew chips.

Chew, chew cheese.

Chew, chew chips

with cheese dip please.

Chew, chew, chomp, chomp

chin and cheeks.

Chew, chew chips

and chunks of cheese.

Chorus

Chew, chew chewy,

cherry pie.

Can't stop chewing -

don't know why.

I like peaches,

chew them too.

Chew and chomp.

It's good for you.

Chorus

The Contraction Song

Chorus:

If you're looking for action
And you want satisfaction
That's the time
That you're gonna need a contraction.

Two words can be made into one.
"Can not" becomes "can't"
It's a lot of fun.
Take out the "O" and add an apostrophe.
It's very easy.

Chorus

Two words can be made into one.
"There is" becomes "there's"
It's a lot of fun.
Take out the "I" and add an apostrophe.
It's very easy.

Chorus

"Do not" becomes "don't."
"Will not" becomes "won't."
"Could not" becomes "couldn't."
"Would not" becomes "wouldn't."
"Should not" becomes "shouldn't."
"Was not" becomes "wasn't."
It's so easy, don't you agree?

Chorus

"There is" becomes "there's."
"Where is" becomes "where's."
"She is" becomes "she's."
"He is" becomes "he's."
"John is" becomes "John's."
"Jane is" becomes "Jane's."
It's so easy, don't you agree?
